Be part of the Fizz up! success story!

Fizz up! is the new wave in the beverage market — fruity, sparkling, and crafted to perfectly match the diverse dietary and lifestyle needs of today's consumers. With our bold and innovative flavor combinations — such as spicy rosehip-cardamom, blood orange-rosemary, elderflower-lime-mint, and mango-passion fruit — we bring true novelty and excitement to the shelves.

Our drinks are low-carb, energy-free, and sugar-free, making them the perfect choice for health-conscious customers who don't want to compromise on taste. In addition to our sparkling line, we also offer 5 premium syrups and 8 flavors of refreshing fruit juices, ensuring that everyone finds their favorite.

Join us as a retail partner and be among the first to profit from the latest trend!

Why Choose Fizz up! for Your Portfolio?

With Fizz up!, you can stock modern, health-conscious beverages that not only meet the latest consumer trends but also guarantee lasting customer loyalty.

We provide our partners with outstanding profit margins, ensuring both business success and steady, predictable revenue growth.

Thanks to their eye-catching design and irresistible shelf appeal, our drinks practically sell themselves, making sales easier than ever.

On top of that, we support our partners with fast delivery and flexible terms, ensuring smooth and mutually beneficial cooperation.

And most importantly: Fizz up! is the next big hit on the market — the product that will keep your portfolio fresh, exciting, and competitive.

Discover our products today!

Fizz up! is the latest innovation from FoodVersum, created to align with the modern consumer's growing demand for healthier, cleaner, and more conscious choices. These vibrant, sparkling beverages are more than just refreshment — they are a bold statement in functional indulgence. Each variety is expertly crafted to deliver an exciting fusion of taste and wellness, completely free from sugar, energy, and unnecessary additives.

Designed for those who actively monitor their sugar intake or follow specific lifestyle diets — such as low-carb, keto, or diabetic-friendly plans — Fizz up! offers a genuinely health-forward alternative to traditional soft drinks. With no hidden sweeteners and a reduced carbohydrate profile, it's a beverage that fits seamlessly into balanced diets, weight-management routines, and active lifestyles, without sacrificing flavor or satisfaction.

Fizz up! by FoodVersum: where great taste meets smart nutrition.
